EIGHT TRAITS OF A WINNING MINDSET

- *Focused on what's in its control instead of distracted by what isn't.
- *Proactive in its pursuits. A winning mindset is not a "waiting" or "wanting" one.
- *Always owns their actions/inactions
- *Believes in the power of consistent hard work over natural-born talent
- *Intentionally builds a starting-5 of relationships for their life
- *Believes failures & setbacks provide clues that will build future wins.
- *Invests in helping others learn how to succeed & grow too.
- *Believes in giving your best, every situation, every time.

PRAISE FOR JAKE'S BOOK:

"I absolutely loved this book. It is truly motivational no matter where you are in life's journey. I highly recommend it to anyone who wants to become a better version of self."

- Jennifer S.

"This book was a perfect perception and foundation to push each of us a little harder each day to reach our goals. This book is definitely one I will read time and time again."

- Alicia

"I found the insights that are delivered at the end of each chapter to be extremely helpful. Instead of only providing compelling reasons for why we need to do better (and there are certainly plenty of reasons!), each chapter concludes with practical insights to transform ourselves for the better."

- Adam
